Power of attorney

Dear storage customer,

Thank you for registering as a user of our storage portal.

According to the General Terms and Conditions for Storage Services (GTCS) of HanseWerk AG (HAW) § 1 a only natural or legal persons with business activities registered in the commercial register or an equivalent foreign register of companies are allowed to participate in our tendering procedures.

Your licensing as a participant requires evidence of authority by yourself and your company.

Please complete the authorization form attached, have it signed by an authorized signatory of your company and return it together with a copy of the registry sheet for your company from the commercial or trade register. Please send over the documents by email first. Afterwards we kindly ask you to make the original signed authorization form available to us by mail.

We hope you understand that the licensing process may take a few days and thank you for your efforts. Please contact us if you have any questions.
